

(f) *Acceleration.* The terms of each loan agreement will provide for the immediate acceleration of the unpaid balance for breach or default in performance by the Participating Credit Union of the terms or conditions of the loan. Default and breach include misrepresentation; failure to make interest or principal payments when due; failure to file required reports; insolvency of the Participating Credit Union; and, if required by NCUA, failure to maintain adequate matching funds for the duration of the loan. Other specific causes of default and breach will be identified in the loan documents between the Participating Credit Union and NCUA. The unpaid balance will also be accelerated and immediately due if any part of the loan funds are improperly used or if uninvested loan proceeds remain unused for an unreasonable or unjustified period of time.

(g) *Matching requirements.* At its discretion, NCUA may require a Participating Credit Union to develop and implement a plan to match all or a portion of the funds represented by loan proceeds. Such requirement will be based on the financial condition of the Participating Credit Union, which will be evaluated under criteria contained in the related Notice of Funding Opportunity. Matching funds must be from non-governmental member or non-member share deposits. Participating Credit Unions required to provide matching funds are subject to the following general provisions and any other conditions in the related Notice of Funding Opportunity and agreements between the Participating Credit Union and NCUA:

(1) Loan monies made available generally must be matched by the Participating Credit Union in an amount equal to the loan amount. Any loan monies matched by nonmember share deposits are not subject to the 20% limitation on nonmember deposits under § 701.32 of this chapter. Participating Credit Unions must maintain the increase in the total amount of share deposits for the duration of the loan. Once the loan is repaid, nonmember share deposits accepted to meet the matching requirement are subject to § 701.32 of this chapter.

(2) Upon approval of its loan application, and before it meets its matching, if required, a Participating Credit Union may receive the entire loan commitment in a single payment. If, at NCUA's discretion, any funds are withheld, the remainder of the funds committed will be available to the Participating Credit Union only after it has documented that it has met the match requirement.

(3) Failure of a Participating Credit Union to generate the required match within the time specified in the loan documents may result in the reduction of the loan proportionate to the amount of match actually generated. Payment of any additional funds initially approved may be limited as appropriate to reflect the revised amount of the loan approved. Any funds already advanced to the Participating Credit Union in excess of the revised amount of loan approval must be repaid immediately to NCUA. Failure to repay such funds to NCUA upon demand may result in the default of the entire loan.

(h) *Other terms and conditions.* Other terms and conditions pertaining to loans, including but not necessarily limited to duration, repayment obligations, and covenants, will be specified in the related Notice of Funding Opportunity or applicable loan documents to be signed by the Participating Credit Union.

§ 705.6 Application and award processes.

(a) *Notice of Funding Opportunity.* NCUA will publish a Notice of Funding Opportunity in the FEDERAL REGISTER, on applicable government Web sites, and its own Web site. The Notice of Funding Opportunity will describe the loan and technical assistance grant programs for the period in which funds are available. It also will announce special initiatives, the amount of funds available, funding priorities, permissible uses of funds, funding limits, deadlines, and other pertinent details. The Notice of Funding Opportunity will also advise potential applicants on how to obtain an Application and related materials. NCUA may supplement the information contained in the Notice of Funding Opportunity through

National Credit Union Administration

§ 705.6

such other media as it determines appropriate, including Letters to Credit Unions, direct notices to Qualifying Credit Unions, and announcements on its Web site.

(b) *Application requirements.* A Qualifying Credit Union must demonstrate a sound financial position and ability to manage its day-to-day business affairs. It also must show that its planned use of proceeds is consistent with the purpose of the Program, the requirements of this part, and the related Notice of Funding Opportunity. The related Notice of Funding Opportunity may include additional details and requirements.

(1) Applications to participate and qualify for a loan or technical assistance grant under the Program may be obtained from the National Credit Union Administration as outlined in the related Notice of Funding Opportunity.

(2) With respect to loans, NCUA will also require a Qualifying Credit Union to develop and submit a narrative describing how the Qualifying Credit Union intends to use the money obtained from the Fund to enhance the products or services it provides to its membership and how those enhanced products or services support the membership and community served by the Qualifying Credit Union.

(3) In addition to those items required in this section, a Qualifying Credit Union that is a non-federally insured state-chartered credit union must also include the following:

(i) A copy of its most recent external audit report;

(ii) Proof of deposit and surety bond insurance which states the maximum insurance levels permitted by the policies;

(iii) A balance sheet, an income and expense statement, and a schedule of delinquent loans, for each of the four most recent quarter-ends;

(iv) Documentation of the credit union's status as a low-income credit union by the appropriate state supervisory agency consistent with NCUA Rules and Regulations at §§ 701.34(a) and 741.204(b); and

(v) An agreement to be subject to examination by NCUA.

(c) *Evaluation and selection of Qualifying Credit Unions.* NCUA will generally evaluate applications submitted by Qualifying Credit Unions in accordance with the criteria described in this section. Nothing in this section, however, precludes NCUA from considering other criteria included in the related Notice of Funding Opportunity that NCUA determines to be necessary based on the type of funding initiative, economic environment, or other factors or conditions that warrant the evaluation of additional or alternative criteria. Generally, NCUA will evaluate complete applications to determine if the Qualifying Credit Union satisfies the following:

(1) *Financial and Performance.* The Qualifying Credit Union must exhibit a safe and sound financial condition, including a demonstrated ability to perform the requirements associated with the type of award being sought and compliance with NCUA's underwriting standards. In this respect, NCUA will consider the Qualifying Credit Union's long-term financial viability, including absence of indicators suggesting the Qualifying Credit Union is a candidate for merger, a purchase and assumption transaction, or conservatorship. NCUA will also consider the Qualifying Credit Union's compliance with the provisions of any previous loan or technical assistance grant received. NCUA may also consider information concerning the Qualifying Credit Union to which it already has access, including information obtained through the examination process and data contained in Call Reports.

(2) *Compatibility.* NCUA will evaluate whether the stated objectives to be accomplished through the use of the loan or technical assistance grant proceeds conform to the broad purposes and rationale underlying the Fund. Specifically, NCUA will consider whether the award will enable the Qualifying Credit Union to provide basic financial products and related services to its members or enhance its capacity to better serve its members and the community in which it operates. NCUA will also consider whether the use of the financial award will conform to any applicable funding priority, special initiative,

§ 705.7

12 CFR Ch. VII (1–1–16 Edition)

or special instruction announced in the related Notice of Funding Opportunity.

(3) *Feasibility.* NCUA will consider the likelihood of the Qualifying Credit Union's success in accomplishing its stated objectives, based on its Application and the factors NCUA determines are relevant.

(4) *Examination Information and Concurrence from Regional Director for Qualifying Federal Credit Unions.* In evaluating the Qualifying Credit Union, NCUA will consider information and statements provided by NCUA staff or State Supervisory Authority staff that performed the Qualifying Credit Union's most recent examination. NCUA will only provide a loan or a technical assistance grant to a Qualifying Credit Union with the concurrence of that credit union's supervising Regional Director. Examination information for a Qualifying Credit Union that is a state-chartered credit union is discussed in § 705.8 of this part.

(d) *Requests for additional information.* NCUA will make its funding determinations among the several qualified Applications based on its discretion and consideration of which best meet the priorities and initiatives established and announced by NCUA. During its evaluation process, however, NCUA may request a Qualifying Credit Union to provide additional clarifying or technical information to support its application. NCUA may determine not to provide further consideration of any Application failing to provide additional required information.

(e) *Timing.* NCUA will announce, in the related Notice of Funding Opportunity, the deadline for Qualifying Credit Unions to submit all required documentation, including the Application. Failure to submit all of the requested information or to submit the information within the timeframe specified in the Notice of Funding Opportunity, or in the case of requests for additional clarifying or technical information, within the time specified by NCUA, may result in rejection of the Application without further consideration.

(f) *Notice of Award and Appeals.* NCUA will determine whether an application meets NCUA's standards established by this part and the related Notice of

Funding Opportunity. NCUA will provide written notice to a Qualifying Credit Union as to whether or not it has qualified for a loan or technical assistance grant under this part. A Qualifying Credit Union whose application has been denied for failure of a qualification may appeal that decision to the NCUA Board in accordance with the following:

(1) Within thirty days of its receipt of a notice of non-qualification, a credit union may appeal the decision to the NCUA Board. The scope of the NCUA Board's review is limited to the threshold question of qualification and not the issue of whether, among qualified applicants, a particular loan or technical assistance grant is funded.

(2) The foregoing procedure shall apply only with respect to Applications received by NCUA during an open period in which funds are available and NCUA has called for Applications. Any Application submitted by an applicant during a period in which NCUA has not called for Applications will be rejected, except for those Applications submitted under § 705.7 of this section. Any such rejection shall not be subject to appeal or review by the NCUA Board.

(g) *Disbursement.* Before NCUA will disburse a loan, the Participating Credit Union must sign the loan agreement, promissory note, and any other loan related documents. NCUA may, in its discretion, choose not to disburse the entire amount of the loan at once.

§ 705.7 Urgency.

On an emergency basis, subject to funds availability, NCUA may consider a funding request from a Qualifying Credit Union experiencing an unplanned or unexpected expense that the Qualifying Credit Union is unable to meet with its own resources. The Qualifying Credit Union must demonstrate a compelling need for immediate assistance without which its continued operations would be threatened or severely disrupted. NCUA, in its discretion, will determine whether the situation constitutes an emergency and if the Qualifying Credit Union is required to submit any additional information to show why the funds are needed on an emergency basis. NCUA will determine
